For Healthcare Companies

includes Pharmaceuticals, cosmetic companies, wellness companies, healthcare products, diagnostic centres, hospital and clinics

📖 **Complete Writing Service: Research Papers, Review Paper, Meta-analysis.** This is quite required for authenticity of your healthcare products and scientific support of your products. Additionally, your company will acquire better profile in the market if your company can contribute in the academic community.

📖 **Product Reviews:** Whether it is a software or any other medical equipment, we can write your product description, functions, reviews, etc, which need to use medical and scientific terms and explanation with evidences and proper citations.

📖 **Boost You: Discussed Later**

📖 **Blog articles:** we can write blog articles on diagnostics, healthcare, treatments, medical conditions and similar topics and you can publish the articles on your website. Alternatively, we can also post your articles on our website, social media or help you to get do guest posting to other websites with your website link or product page link. This is expected to increase the visibility of your business and digital footprint.

Journal Publication

We have 2 types of Journal Publication Schemes

We have SCI, WoS, Embase, PubMed and other journals.

□ **Direct Publication:** we have connections with journals where we can get guaranteed acceptance. The author needs to make the payment before it is submitted to the journal. Details of the journal will be provided and the author can choose his or her journal after going through all the details that suit his or her academic requirements. The price depends on the journal. We have journals from various indexings such as Embase, scopus, SCIE and others.

□ **Online Submission (Publication Manager Service):** this is the usual process of journal submission. In this case we will act as Submission Manager to the author. We will submit your manuscript to 2-5 journals through online portal and wait for the acceptance. We charge ₹1000 per paper or 15 USD per paper.

NOTE THAT WE ARE ONLY RESPONSIBLE IN PUBLISHING YOUR MANUSCRIPT IN THE JOURNAL AND WE DO NOT BEAR ANY RESPONSIBILITY IN INDEXING OF YOUR MANUSCRIPT. OUR SERVICE JUST EXTENDS TO PUBLICATION OF YOUR MANUSCRIPT IN THE MENTIONED LINK. THE AUTHOR IS SUPPOSED TO CHECK THE AUTHENTICITY OF THE LINK
